Circus banned without Pahlke's vote

THE move for council to again raise the bar on the banning of circuses is all news to me.

No report has come to council and it has not been discussed as yet at committee.

I did not vote for it last time and I will not vote for this proposal this time. Happy to go to Election 2012 with that as my stance.

I might add also I am very supportive of Liz Bellward's Karma Kats proposal and sincerely hope the idea comes to reality. Also I will not vote to ban

rodeos in Ipswich.
